Risks to Investors:

- 1. Geographically, our revenues are highly dependent on our operations in the India more particularly in few selected States. Any adverse development affecting our operations in these regions could have an adverse impact on our business, financial condition and results of operations.
- 2. We derive a substantial portion of our revenue from the sale of Horizontal Directional Drilling (HDD) machines, representing 62.69%, 59.34%, 79.41% and 97.39% of our total sale of finished goods for the three months period ended on June 30, 2025 and financial years ended on March 31, 2025, 2024 and 2023, respectively and loss of sales due to a reduction in demand for these products would have a material adverse effect on our business, financial condition, results of operations and cash flows.
- 3. Our business is dependent on few numbers of clients. Our Top 10 customers contributed 67.01%, 58.03%, 54.36% and 57.35% of revenue from operations for the three months period ended on June 30, 2025 and the financial years ended on March 31, 2025, 2024 and 2023, respectively. The loss of any of these clients could have an adverse effect on our business, financial condition, results of operations and cash flows.
- 4. Several of our key raw materials and components are sourced from a limited group of suppliers, which exposes us to supplier concentration risks. Any restriction in supply or delays in quality could cause delays in project construction or implementation and impair our ability to provide our products to clients at a price that is profitable to us, which could have a material adverse effect on our business, financial condition and results of operations.
- 5. Our Company has experienced negative cash flow in the past and may continue to do so in future, which could have a material adverse effect on our business, prospects, financial condition, cash flows and results of operations.
- 6. We are subject to strict compliance of quality requirements by our customers. Any failure in maintaining our quality accreditations and certifications may negatively impact our brand and reputation which may adversely affect our business, results of operations, financial condition, cash flows and future prospects.
- 7. Our Restated Financial Statements are prepared and signed by the Peer Review Auditor who is not Statutory Auditors of our Company.
- 8. Our business is dependent on our manufacturing units and we are subject to certain related risks. Unplanned slowdowns, unscheduled shutdowns or prolonged disruptions in our manufacturing operations, as well as an inability to effectively utilize our production capacity, could adversely affect our business, operations, results, cash flows, and financial condition.
- 9. We do not have long term agreements with any of our customers, and hence may not realize all of the revenue expected from our existing or new customers and may not be able to accurately forecast demand for our products and plan production schedules in advance. If we are unable to predict customer demands and maintain optimal inventory level, there may be an adverse effect on our results of operations, financial condition, and cash flows.
- 10. We have entered into a number of related party transactions and may continue to enter into such transactions under Ind AS 24 in the future. However, there can be no assurance that we could not have achieved more favourable terms had such transactions not been entered into with related parties.
- 11. The Book Running Lead Manager associated with the Issue has handled 68 public issue out of which 2 issue closed below issue price on listing date below are the details;

Particulars	Numbers of Issues Handled	Issue closed below issue price on listing date
